PUTTING GOOD TO WORK!

Good is when the Y makes it possible for...

A SINGLE PARENT to work and know their child is safe at one of our Afterschool Programs.

ADULTS WITH SPECIAL NEEDS to travel with friends and explore new adventures through our New Horizons Programs.

A FITNESS MEMBER to lose enough weight to stop taking heart medication.

A CHILD WITHOUT A HOME to spend a week at overnight camp making new friends and happy memories.

A STUDENT who is struggling to make friends, to find someone that welcomes them with open arms.

A PARENT to bond with their child through outings, events, community service projects and more through the Adventure or Family Guides program.

GOOD FOR YOU. We are the place to be healthy and make meaningful connections. Our fitness facilities provide a place to build and foster friendships, reclaim healthy habits, overcome challenges, set new goals, and become the best version of yourself.

GOOD FOR KIDS. We are a positive place for kids and teens to discover who they are and what they can achieve. We are a place where they can learn, grow, play and succeed, all while being cared for by positive role models in a safe environment.

THE Y IS HERE FOR GOOD.

GOOD FOR COMMUNITIES.

Our purpose is to strengthen communities. Through the Y's services and programs our communities can find resources to thrive. We have the presence to deliver positive change.

GOOD FOR ALL. Our programs are open to everyone. No matter a person's circumstances, background, age, race, economic status, income, abilities, etc.; they are welcome to access, benefit from and be a member of our programs.

CULTIVATE GOOD

Collectively, we have the power to offer every family, child, or individual access to our services despite financial barriers. We rely on the support of our members, dedicated staff, valued partners, volunteers, and communities to take the lead in building healthier, stronger, and thriving communities.

Your donation will directly support our 3 key funding priorities:

Youth Development & Safety

We serve as a nurturing haven for young individuals to explore and realize their potential. Our environment fosters learning, growth, play, and achievement, all under the guidance of positive mentors in a safe and trusted setting.

Wellness

We are dedicated to promoting health and building meaningful connections. Our facilities serve as a community hub for forming and nurturing friendships, rediscovering healthy routines, overcoming obstacles, setting fresh goals, accessing resources and support, and finding the best version of yourself.

Building Community

Our purpose is to strengthen communities. Through the Y's services and programs, our communities can find resources to thrive. We have the presence to deliver positive change. Through each program and our variety of community-wide partnerships we can support those most in need.
