Section 1: TUSD Expanded Learning Program Information

The TUSD Expanded Learning Program provides youth with engaging, supportive programs that encourage learning and positive development to support students in reaching their full potential as successful students and productive citizens.

TUSD Expanded Learning is funded by two grants:

1. **After School Education and Safety (ASES)** is the result of the 2002 voter-approved initiative, Proposition 49. This proposition amended California Education Code 8482 to expand and rename the former Before and After School Learning and Safe Neighborhood Partnerships Program. The ASES Program funds the establishment of local after-school education and enrichment programs for elementary and middle school students.
2. **Expanded Learning Opportunities Program (ELO-P)** is authorized by Item 6100-110-0001 of the 2021–22 Budget Act (Senate Bill 129, Chapter 69, Statutes of 2021), and Assembly Bill (AB) 130, Chapter 44, Statutes of 2021, as amended by AB 167, Chapter 252, Statutes of 2021. ELO-P provides funding for afterschool and intersession/summer school enrichment programs for transitional kindergarten through sixth grade.

Program Description

TUSD Expanded Learning program staff collaborate with TUSD District, Site Administrators, and Teachers to align programming with the content of the regular school day. Additionally, student surveys, feedback, and student meetings provide program participants with positive leadership opportunities as they participate in planning program structure, leadership, policies, and development of high-interest, community-based curriculum and activities. Enrichments will offer participants a wide variety of activity choices, and opportunities to expand beyond the classroom and into community-based activities, field trips, and future planning. ExL is offered at all elementary and middle school sites. If ExL is not offered at a student's home school, transportation to a participating site is provided.

TUSD Expanded Learning programs will include the following components:

1. **Academic Element** - Homework assistance designed to help students meet state standards in one or more of the following core academic subjects: reading/language arts, mathematics, history, social studies, or science.
2. **Educational Enrichment Element** - Offers an array of additional services, programs, and activities that are designed to reinforce and complement the school's research-based academic programs and core curriculum in support of overall student success. Projects may be ongoing and end in a culminating activity during the program or included in a family event. After-school activities will align with the school day. Intersession and Summer programming will be camp-focused and include additional outdoor and interactive activities to keep students engaged and moving. Educational and recreational field trips will be provided throughout the year. Parent/Guardian-signed permission slip is required for student attendance.

Families are encouraged to share personal interests including hobbies, talents, cultural backgrounds, favorite recipes, etc. Parent/Guardian involvement is valued and encouraged.

Conduct: Parents/Guardians must always conduct themselves with civility. Profanity, intoxication, and abusive conduct toward staff members, other students, other families, or property will not be tolerated. Any of these offenses could jeopardize your student's enrollment in the TUSD Expanded Learning program.

Volunteering: Research shows that parent/guardian involvement correlates with student success. Join the fun supporting student academics, recreation, and character development. Parent/Guardian leaders are encouraged to form or participate in parent groups to support site activities and events. Volunteering may require a screening process depending on capacity and frequency of involvement. Contact your Site Coordinator for information on how to get involved.

Section 2: Enrollment and Attendance

Enrollment Policy

Students are enrolled on a first-come, first-served based on eligibility and program capacity in the following priority order:

1. Current qualified and enrolled participants in good standing
Qualified students
 - a. ASES - All students at a site with ASES funding automatically qualify for programming per capacity.
 - b. ELO-P - Students qualify through Income, Foster, Homeless, or TUSD Designated English Learner.
2. Qualified waitlist students

Accommodation requests must be indicated in writing before the student is enrolled. If a student requires special accommodations or support, enrollment may be delayed to allow the program time to prepare for requested accommodations to help better support the child.

Enrollment Steps:

1. Complete the Expanded Learning Enrollment Form including emergency contact information.
2. Submit the application to the school's front office or directly to the provider.
3. Parents/guardians will receive confirmation if their child has been admitted or will be placed on the program waitlist.
4. When a spot becomes available, enrollment will be completed including the required signatures.

TUSD Expanded Learning programs do not discriminate based on sex, race, sexual identity, religion, ethnicity, national origin, or special needs.

Attendance Policy

1. To maintain grant funding, daily attendance is encouraged.
2. Students must attend TUSD Expanded Learning (ExL) at their school day site from school release to program end. Pick-up begins at 5:00 pm unless an Early Release has been arranged.
3. Families can obtain one-time and/or regularly scheduled Early Release for medical, outside activities, etc. See the *Early Release Policy* below.
4. Students may not acquire more than 5 unexcused absences per semester for after-school programming following TUSD excused absence guidelines. Unexcused absences include full-day school attendance and no-shows to the after-school program. This does not apply to Intersession programming.
5. If a TUSD Expanded Learning student attends the school day and does not show up to ExL, the program will call the Parent/Guardian and Emergency Contacts. If contacts cannot be reached, the student will be considered missing, and authorities will be called. Written notice for absences is encouraged.
6. If a student does not attend the school day, the student is not permitted to attend the after-school program.
7. Failure to adhere to the Attendance Policies may result in the student being dismissed from the ExL program and placed on the waitlist and may affect the student's priority enrollment for the next year.

Days and Hours of Operation/Holidays

1. TUSD Expanded Learning is open every day TUSD schools are open. Programs run from school release time until 6:00 pm.

Medication and Other Health Needs

Whenever possible, it is preferred that a child receive medication at home. Please consult with the medical provider to request medication that can be scheduled to be given at home. If this is not possible, please follow the procedures listed below for your child to receive medication at a TUSD Expanded Learning site. On-going medication needs must be arranged before enrollment begins.

1. Prescription Medication (except Asthma Inhalers)

- a. A **Medication Administration Release Form** must be obtained from the program and completed by the parent/guardian and the Site Coordinator.
- b. All prescription medication must be current with a clear, original prescription label from a pharmacy showing the child's name, medication, dosage, frequency of administration, beginning and ending dates of administration, and expiration date. This prescription must be in English. TUSD Expanded Learning requires separate medication from the school office.
- c. Special procedures are in place for administering medications that are classified as controlled substances, such as medication commonly used to treat Attention Deficit Disorder (ADD) and Attention Deficit Hyperactivity Disorder (ADHD).

2. Over-the-Counter Medication and Asthma Inhalers

- a. All over-the-counter medications and asthma inhalers require the physician or pediatric practitioner to complete/sign the **Medication Administration Release Form**. The parent's/guardian's signature is also required.
- b. All over-the-counter medication must be in its original container and labeled with the child's name.

- c. The physician or medical provider may write a note instead of completing the **Medication Administration Release Form** as long as the parent/guardian signs the bottom of the **Medication Administration Release Form** and the medical provider's note contains all the following information:
 - i. Child's full name
 - ii. Start and end dates if applicable
 - iii. Medication name
 - iv. Physician's signature
 - v. Time(s) to be given
 - vi. Dosage to be given
3. **EpiPens®** - An Anaphylaxis Action Plan signed by the physician is required before a child with a life-threatening allergy can attend the program. An EpiPen® (or Avi-Q) must be on-site at all times the child is present. Recommend two EpiPens® on-site in the case one EpiPen® malfunctions. To ensure all staff members are aware of a child's life-threatening allergy, an **Allergy Posting Form** with the child's picture is posted in the classroom if the parent/guardian provides written consent to do so.

Section 5: Student Conduct and Behavior

Student Behavior Code

One of the goals of TUSD Expanded Learning is to help students develop a positive self-image. We encourage students to be self-directed and exhibit self-control, while methods that build individual esteem are utilized. Recognizing that students need clearly defined limits set in a non-threatening yet firm manner, a system of close supervision, gentle guidance, and redirection is provided. We do not condone or employ corporal punishment as a means of discipline.

Please review the following STUDENT BEHAVIOR CODE adapted from the *Tustin Unified School District Code for Students* outlined in the TUSD Parent/Student Rights and Responsibilities Handbook found on the District homepage.

The TUSD Governing Board believes that all students have the right to be educated in a positive learning environment free from disruptions. On school grounds and at school activities, students are expected to exhibit appropriate conduct that does not infringe upon the rights of others or interfere with the school program.

Behavior is considered appropriate when students are diligent in study, careful with school property, and courteous and respectful towards their teachers, other staff, other students, and volunteers.

Prohibited student conduct includes but is not limited to the following:

1. Behavior that endangers other students and/or staff
2. Contributing to unwanted physical contact with students or staff
3. Play fighting
4. Behavior that disrupts the orderly classroom or school environment
5. Harassment of other students or staff, including bullying, intimidation, hazing, initiation activity, or any other verbal, written, or physical conduct that causes or threatens to cause bodily harm or emotional suffering
6. Damage to or theft of property belonging to the district, program, staff, or other students
7. Possession, use, or sale of alcohol, tobacco, or other drugs
8. Profane, vulgar, or abusive language
9. Inappropriate dress
10. Tardiness and unexcused absence from school
11. Failure to remain on school premises following TUSD Expanded Learning rules

To avoid possible loss or distraction during the program, TUSD ExL requests students not to bring toys or unnecessary items to the program.

Bus Rules

In addition to the Student Behavior Code, students who are transported by bus during TUSD Expanded Learning programs are to adhere to the following rules:

1. Enter the bus in an orderly manner and take your seat.
2. Remain quiet.
3. Follow the instructions of the drivers.
4. Learn emergency drill procedures as explained by the driver.

5. Be courteous to the driver and to all other students.
6. Eating and drinking (except water) are prohibited on the bus.
7. Remain in your seat at all times.
8. Keep your head, arms, and hands inside the bus at all times.
9. Be alert to traffic when exiting the bus.

Technology & Internet Usage

No student shall be prohibited from possessing or using an electronic signaling device that is determined by a licensed physician or surgeon to be essential for the student's health and the use of which is limited to health-related purposes. (Education Code 48901.5)

Students may use their TUSD devices at times designated by their site Instructor. However, the use of technology is a privilege. It can be revoked at any time.

Use of program computers is an option during programming under the following guidelines:

1. Children are responsible for the program-issued computers while they are using them in the program. Any damage or problems with the computers must be reported immediately to the center staff.
2. The computers are loaded with software children will need for use in the program. Children are not permitted to remove or modify any software or applications.
3. If anyone observes any inappropriate use, neglect, damage, or defacement of a computer, it must be reported immediately to the staff.

Internet Guidelines:

- Program participants are allowed to use the Internet:
 - As an educational source and enrichment activity and shall not access any inappropriate content.
 - After the Technology Agreement has been signed and returned to program staff.
 - Under the supervision of program staff.
- Program participants may encounter content on the internet that may be considered inappropriate. Program staff cannot guarantee students will not encounter such content but will use reasonable means to prevent access to inappropriate content.

Inappropriate use of technology will result in the following actions:

1. Alternative behaviors are discussed with the child.
2. Parent must be available to pick up their child immediately.
3. A Parent-Site Coordinator conference will be held.
4. A *Behavior Management Plan* may be developed (in partnership with the parents and elementary school) to support the improvement of the child's behavior.
5. Possible suspension from the program.
6. The parent/child's failure to comply with the above-listed policies may result in termination from the program.

Permitted devices shall:

1. Be turned off during program instruction time and at any other time directed by a staff member.
2. Not disrupt the TUSD Expanded Learning program.
 - If a disruption occurs, the staff member shall direct the student to turn off the device and/or confiscate it.
 - If an employee finds it necessary to confiscate a device, he/she may either return it at the end of programming or keep it until staff has consulted with the student's parent/guardian or principal.
 - A student who violates this policy may be prohibited from possessing a personal electronic signaling device at school or school-related events.

Parent may contact the Site Coordinator if the child needs to be contacted. Disciplinary process (below) will be followed for technology or internet violations.

Disciplinary Process

If the Student Code of Conduct outlined in this Parent Handbook is not adhered to, then the following process will be implemented:

- **1st Behavior Notice** - A written ***Student Behavior Notice*** will be completed to notify parent/guardian of the student's misconduct and parent/guardian signature will be required. Depending on the severity of the behavior, a 1-3 day suspension may apply. Parent/Guardian and student have the option to work with the Expanded Learning Team in developing a ***Behavior Plan*** to assist the student in successfully participating in the program.

- **2nd Behavior Notice** - A second written **Student Behavior Notice** will be completed to notify the parent/guardian of the student's misconduct and a parent/guardian signature will be required. 2nd notice will result in a 1-3 day suspension. A **Behavior Plan** between the Parent/Guardian, Student, and Provider must be developed and set in place before the student returns to the program.
- **3rd Behavior Notice** - All attempts to correct the student's inappropriate behavior have been exhausted. Student will be dismissed from the TUSD Expanded Learning program until the next school year as a result of the third **Student Behavior Notice** sent home with the student.

Dismissal from the Program with Same Day Notice

TUSD Expanded Learning reserves the right to dismiss a student from the program for any of the following reasons:

1. Parent/legal guardian or student has abusive conduct toward staff members, other students, other families, or property.
2. Parent/legal guardian or student jeopardizes the health or safety of the other students or staff.
3. Parent/legal guardian is uncooperative or uncommunicative with staff and/or with operating policies.
4. District Administration staff concludes that the student is not a positive participant in the program.
5. Parent/legal guardians do not follow TUSD civil conduct policy with staff, students, or parents/legal guardians of other students.

Dress Code

TUSD Expanded Learning program students will abide by the Student Dress and Grooming Code of the Tustin Unified School District. The purpose of the Dress Code is to encourage students to dress appropriately and to come to school properly prepared for participation in the educational process. We believe that when students are neatly attired and when they take pride in their appearance, good behavior and better learning results. Appropriate dress not only promotes positive attitudes and behavior among students but also ensures a safe and orderly environment for all students by helping keep the program free from threats or harmful influences of any group or gang.

TUSD Expanded Learning will not allow apparel that:

1. Creates a safety hazard for students
2. Constitutes a serious distraction to the learning process
3. Conflicts with the District's philosophy and goals for the prevention of substance abuse and gang activity.

Parents have the primary responsibility to see that their children are properly attired for school. The following Dress Code Guidelines apply to all program students:

1. Students will follow the Dress Code Guidelines shared by their school site.
2. Clothing, jewelry, headwear, or accessories that pose a threat to the physical well-being and safety of the student or others or are disruptive to the educational process may not be worn.
3. Clothing (including jackets, headwear, jewelry, and shoes) with writing, logos, or insignias considered as being gang-related may not be worn. This includes but is not limited to oversized clothing, hanging belts, suspenders, gang or tagging-related initials on belt buckles, etc.
4. Attire that is sexually suggestive or extremely revealing (such as low-cut garments, strapless or off-the-shoulder tops, undershirts, fishnet tops, short shorts, or skirts exposing posteriors or that do not cover undergarments) is not allowed.
5. Attire that advocates or advertises any type of alcohol, drugs, or acts that are illegal, violent, obscene, or hazardous to one's health is not allowed.
6. Shoes must be worn at all times. Flip-flops, socks, or sock-like footwear and slippers are not safe or appropriate for TUSD Expanded Learning and are not allowed.

These guidelines shall be in effect at all program activities except where modified by the Site Coordinator for specific cases or during extra-curricular activities including intersession days. In the case of questionable dress and/or grooming not covered by these and the school guidelines, the Site Coordinator or designee will determine the appropriateness and make the final decision. Repeated violations of the Dress Code will result in disciplinary action as described in the TUSD Expanded Learning Disciplinary Policy.

Lost and Found

1. Jackets and other items left at the end of the program will be placed in the school's Lost & Found.
2. Parents/Guardians are encouraged to regularly check the school Lost & Found for missing items.
3. TUSD Expanded Learning is not responsible for lost or stolen items.
4. For safety reasons, once students are signed into TUSD Expanded Learning, they will NOT be allowed to return to their classrooms to retrieve items.
